FOR IMMEDIATE RELEASE

London Muslim Mosque Presents \$89,074 to London Health Sciences Foundation for Training of International Physician from Underprivileged World

London, ON - December 5, 2018

London Muslim Mosque, first mosque in Ontario, announces presentation of funds in the amount of \$89,074 to the [London Health Sciences Foundation](#) towards the training of an international physician on **December 10, 2018 at 4pm at the London Muslim Mosque in the [main foyer](#)**.

The London Muslim Mosque is supporting the two-year medical training period of an international specialty physician at the London Health Sciences Center. The physician was trained by the Nephrology Department at the [LHSC](#). The trainee was working at the Al-Shifaa hospital in Gaza and now will be better equipped to assist those in need with the expertise gained. Gaza has been suffering with a collapsing health system.

The London Muslim Mosque welcomes this opportunity to support medical education and training for physicians from underprivileged regions and developing world and consequently assist in bettering the lives of patients who need medical attention.

The London Muslim Mosque is located at 151 Oxford St. W. For parking and entry into the building, please enter from Summit Ave.

For more information regarding the fundraising or the event, please contact [Aarij Anwer](#), London Muslim Mosque Executive Director at ED@LondonMosque.ca.

More information about the London Muslim Mosque is available at LondonMosque.ca.
